

**Primary and
Secondary
National Strategies**

Family SEAL: Changes

Key ideas

- Children have different needs as they get older;
- Choice is important;
- If you want things to change then think and plan to make it happen.

How do we talk to babies?

Babies learn about their feelings

Has it gone?

When they are good they are very, very good
but when they are bad they are ...

Imaginative play

Children learn how to behave at school

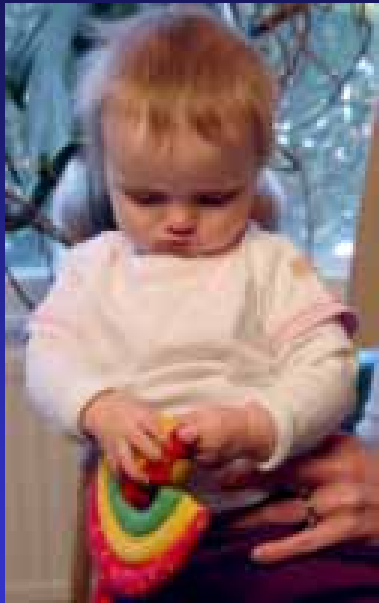

Children cope with larger groups of friends

Teenagers!

How would children describe
the adult phase?

How would you get this boy to tidy his room?

No, I won't eat
it. I hate it!

How do you play with your child?

Some ideas to try out

- Try out some more games with your child;
- Try out the language of choice;
- Think about all the things that you have tried out with your child since starting the workshops.

Recap on key ideas

- Children have different needs as they get older;
- Choice is important;
- If you want things to change then think and plan to make it happen.

Make a kite
